Matt Bell

Co-Founder & Managing Partner
Ardlussa Capital

Matt Bell is a Co-Founder and Managing Partner at Ardlussa Capital. He is responsible for leading the firm's capital formation activities and client relationships.

Matt brings ten years of experience advising ultra-high-net-worth clients on diversified private equity strategies, asset allocation, and investment implementation.

Matt holds a B.S. in Management from the United States Military Academy at West Point, and an M.B.A. from the Kelly School of Business at Indiana University.

Cory Heck

Partner
CID Capital

Cory Heck is part of CID's investment team, working on new investment opportunities and supporting our existing partner organizations. Cory currently represents CID on the board of Wiseway, Georgia Metals, Extra Mile Brands, and LumiSource + Grandview Gallery. In addition to his transaction and portfolio responsibilities, Cory focuses on Investor Relations and manages CID's debt capital relationships. Cory holds an MBA from The University of Chicago's Booth School of Business and a BA from DePauw University.

Augie Pence

Principal
Centerfield Equity

Augie joined Centerfield in 2017. His primary responsibilities include leading the evaluation, execution, and monitoring of investments for Centerfield Equity, the firm's control strategy. Augie has spent his career in middle-market private equity and investment banking. Previously, Augie was an Associate at Prospect Partners in Chicago, a lower middle-market private equity fund focused on leveraged buyouts and recapitalizations. Earlier, he was an Analyst in the Investment Banking Group at Stout in Chicago.

Andrew Sterling

Senior Manager of
Corporate Development
LDI, Ltd.

Andrew Sterling is primarily responsible for building new investment deal flow and evaluating potential acquisitions and strategic investments to support LDI's investment goals.

Andrew has over 10 years of finance experience. Prior to joining LDI, he served as Finance Director at Intel Corp, where he supported the P&L and investment portfolio of Intel's networking & edge computing group. He has also held a variety of finance roles across different sectors including manufacturing, government & healthcare.
